

Information for Authors

ACTA ELECTROTEHNICA publishes original scientific papers of high quality and reviewed articles after the advisement of the editorial board.

The scope of the journal covers data acquisition, electrical machines and drives, power systems, electromechanics, instrumentation and control, signal processing and management in electrical engineering.

For publishing in ACTA ELECTROTEHNICA, the articles will be edited in Microsoft Word 2007 or newer (.docx format), following the guidelines available at the following web address:

[Acta guidelines:](https://ie.utcluj.ro/files/Acasa/Site/acta/Acta_guidelines.docx)

https://ie.utcluj.ro/files/Acasa/Site/acta/Acta_guidelines.docx

Sending of Papers

The proposed papers could be sent by *e-mail* to editorial board, at the address:

ActaETH@ethm.utcluj.ro.

The authors will be notified by *e-mail* with operative information about the paper.

After the papers analysis and admission for publishing, the editorial board could request some modifications for solving certain problems related to printing.
